

# O Holy Night

RAYE

O holy night, the stars are brightly shining  
It is the eve of our dear Savior's birth  
Long lay the world in sin and error pining  
Till he appears and the soul felt its worth

A thrill of hope the weary world rejoices  
For yonder breaks on a new and glorious morn'

Fall on your knees (Fall on your knees so you can hear so you can hear)  
So you can hear the angel voices  
O' night divine  
O' night Christ was born

Truly He taught us to love one another  
His Law is love and His gospel His peace, oh, peace  
O' Chains shall He break for the slave that is our brother  
And in His name all oppression shall cease

The thrill of hope, the weary world rejoices  
For yonder breaks a new and glorious morn'

Oh, fall on your knees (Fall on your knees so you can hear so you can hear)  
And hear the angel voices  
O' night divine  
O' night Christ was born

O' night divine  
When Christ was born  
O' Christ was born
