

Please Don't Touch

RAYE

One touch, I'm a victim
One look in your eyes, I'm in
One kiss, I'm addicted
One drink and it's sink or swim
I'm feeling vulnerable
What if I let go?
You make me want to, though

The thing about love, it ain't simple enough
The thing about trust is it takes two of us
So if I let you in here tonight
Hundred degrees, know you want to

But please don't touch me here
If you don't mean it
The space between our skin saying more than enough
But once you lay a finger, can't be undone
So please don't touch me here
If you don't mean it
I know how it's been, yeah, I've been through enough
But once you put your hands here, can't be undone

So please don't touch me here
If you don't mean it
Touch me here
If you don't mean it

Two nights in a row, now
I brought you back to mine
Three words, getting closer
Say it now before I lose my mind
I'm feeling vulnerable
What if I let go?
You make me want to, though

The thing about love, it ain't simple enough
The thing about trust is it takes two of us
So if I let you in here tonight
Hundred degrees, know you want to

But please don't touch me here
If you don't mean it
The space between our skin saying more than enough
But once you lay a finger, can't be undone
So please don't touch me here
If you don't mean it
I know how it's been, yeah, I've been through enough
But once you put your hands here, can't be undone

So please don't touch me here
If you don't mean it
Touch me here
If you don't mean it

Breaking me down, lowest of lows
I've been for a while, don't want to be calling you
3 AM, begging you, baby, to love me again

So please don't touch me here
If you don't mean it
The space between our skin saying more than enough
But once you lay a finger, can't be undone
So please don't touch me here
If you don't mean it
I know how it's been, yeah, I've been through enough
But once you put your hands here, can't be undone

So please don't touch me here
If you don't mean it
Touch me here
If you don't mean it
Touch me here
If you don't mean it
Touch me here
If you don't mean it
