

# Regardless

RAYE

Oh, you got me all like  
I hate waking up alone  
Call me when you're heading home  
I got things I need to say  
That I can't say to you over the telephone

Four, five glasses all alone  
Boys and girls just come and go  
I haven't seen you for a minute  
And I don't like it, not at all

Ooh, one thing that I know  
Is as hard as I try  
I can't face the thought of you  
Not being in my life, regardless

Regardless of the tears I cry for you today  
Regardless of the words you think we'll never say  
You're always in my mind somehow  
Whether we're up or down, regardless, regardless

Oh, this house is not a home  
When I'm sleeping all alone  
I'm used to having, I'ma hold  
Then I can touch you through the phone

You know when you turn me cold  
I still got your T-shirt on  
Haven't seen you for a minute, no  
And I don't like it, not at all

One thing that I know  
Is as hard as I try  
I can't face the thought of you  
Not being in my life

Regardless of the tears I cry for you today  
Regardless of the words you think we'll never say  
You're always in my mind somehow  
Whether we're up or down, regardless, regardless

Oh, baby  
Why would you wanna make a girl  
Make her feel for so crazy?  
The things that you do to me, ooh

It's as if you don't rate me up  
Baby, don't play me up  
This ain't no game to me

Regardless of the tears I cry for you today  
Regardless of the words to think, but never say  
You're always in my mind somehow  
Whether we're up or down, regardless, regardless
