

Skin & Bones.

RAYE

Just skin and bones (Just skin and bones)
And lungs and a heart (And lungs and a heart)
Two eyes and a liver (Two eyes and a liver)
And a nose and no brain (And a nose and no brain)
He's insane 'cause he thinks
He can make love without having to love me
Oh, oh
Oh, oh

Hey, excuse me, I'm so sorry to bother you (Bother you)
Was wondering if you could point me the direction of (The direction of)
A gentleman (A gentleman)
So few and far between this land
This one just text to cancel plans

The audacity, for me
Was supposed to pick me up in 45 minutes
My hair is looking lovely, my dress has been selected
Are the standards this low?
Well, he suggested skipping dinner, "My place for dessert?"
The bar is on the floor now, bar is on the floor now
It's the W-W-W-W-W-Wild West for a single woman
I can confirm all he want is that

Skin and bones (Just skin and bones)
And lungs and a heart (And lungs and a heart)
Two eyes and a liver (Two eyes and a liver)
And a nose and no brain (And a nose and no brain)
He's insane 'cause he thinks
He can make love without having to love me
Oh, oh
Oh, oh

Hello, sweetie
With your non-exclusive text proposal, ooh, you boys so greedy
You want your cake and eat it
You want your cherry on top, you want to want and need me
And then to up and leave me
And then to maybe call me in a week, but you'll see how you're feeling

It's the, ah, the audacity
You was supposed to pick me up in 45 minutes
My shoes are by the door, my makeup is a renaissance
Now you wanna hang out in my living room and try it on
Bar is on the floor now
It's the Wild, Wild, Wild, Wild, Wild West for a single woman
I can confirm all he want is that

Skin and bones (Just skin and bones)
And lungs and a heart (And lungs and a heart)
Two eyes and a liver (Two eyes and a liver)
And a nose and no brain (And a nose and no brain)
He's insane 'cause he thinks
He can make love without having to love me
Oh, oh, oh, oh, oh, oh

He can make love with me
Without, without having to love me
He can make love with me
How he tryna speed it up, speed it up
Without having to love me
Thinkin' he can make love with me
Without having to love me
He can make love with me
Without having to love me
It's the Wild, Wild, Wild, Wild, Wild West for a-
He thinks we should make love
