

Suzanne

RAYE

Eyes are like the ocean (Uh), her nails are painted green (Uh)
Her cigarette in her mouth (Uh) and she mouths, "Hey, dear, how you been?" (How you been?)
Grey skies out the window (Uh), but she's a summer breeze (Uh)
Come and set the tone, I dare, come and sit down next to me, Suzanne
Her hair hangs like curtains (Uh), her smile is warm like gin (Warm like gin)
She blinks in slow motion just like summer in the looney tunes, Looney Tunes
You can't tell if she's into you (Uh), she's a winding road (Winding road)
That I've been running on down since I was seven years old

Suzanne, I would love to hold you if I can (Ooh-oooh)
Suzanne, Suzanne
If you'd allow my left arm and my right arm to collide inside the small of your back
Just like that
I need you (I need you), Suzanne (Suzanne)
Suzanne, how I need you
Ooh, you look so good tonight

Some time gives away to the magic, y'all (Uh), sunset at the bar (Uh)
You rest your left ear on my shoulder and I wonder if that's just how you are (How you are)
I whisper to the waiter (Uh), "A glass of summer strong"
'Cause I'm about to finally tell you how I've feeling all along, Suzanne
Eyes are like the ocean (Ocean), nails are painted green (Painted green)
And I know this sounds like a lie but I swear you're the prettiest that I've ever seen (Ever seen)
Now, I can't tell you if you into me (Into me), so I'ma say it out loud (I'ma say it loud)
Things I never say, I should've said, I couldn't I guess I'm telling you now

Suzanne, I would love to hold you if I can (Ooh-oooh)
Suzanne, Suzanne
If you'd allow my left arm and my right arm to collide inside the small of your back
Just like that
I need you (I need you), Suzanne (Suzanne)
Suzanne, how I need you
Ooh, you look so good tonight

And I want, and I want, and I want her
You look so good tonight
And I need her, and I need her, and I need her (Suzanne)
You look so good tonight
And I want her, and I need her, oh
So, so good, girl
Oh-oh
Things I never say, I should've said, I couldn't I guess I'm telling you now

Suzanne, I would love to hold you if I can (Ooh-oooh)
Suzanne, Suzanne
If you'd allow my left arm and my right arm to collide inside the small of your back
Just like that
I need you (I need you), Suzanne (Suzanne)
Suzanne, how I need you (I wanna hold you if I can)

Ooh, you look so good tonight
