RAYE

I met a man when I was out  
And in his eyes was a different shade of brown (Yeah)  
I liked his vibes, I took his number before I left  
All night long he was on my mind  
So I sent him a text that said- (Yeah)

"Call me" (Call me)  
"I was thinkin' we should spend some time, babe" (Time babe)  
But don't, don't play no game with me, honey (Honey)  
'Cause I'm workin' all week, Monday to Friday  
Let's stay in the weekend
