

Walk On By

RAYE

Baby, if you see me tonight
Don't say hi
Walk on by

I am one year sober now from your lips, oh
At the Montreal Hotel in California
The temptation caught me, I couldn't say no
So I let you hold my heart once more

We've made sweet loving
That I can't get back
Left a kiss on your neck
Let you sleep alone
Won't let you sleep alone, no

Such sweet, real loving
Shut the door, took the wine
And I drink and I cry till I let you go

So, baby, if you see me tonight
Don't say hi
Walk on by

Baby, if you see me tonight
Don't say hi
Walk on by
By

Tried to picture me tipsy in the cab home
The sunset stripping skies in California
As the tears roll down and fall onto my phone
Saw a text from you, say, where did you go?

We've made sweet loving
That I can't get back
Left a kiss on your neck
Let you sleep alone
Won't let you sleep alone, no

Such sweet, real loving
Shut the door, took the wine
And I drink and I cry till I let you go

So, baby, if you see me tonight
Don't say hi
Don't you dare look in my eyes
Walk on by
No, no, no

Oh, baby, if you see me tonight
Don't say hi
Walk on by

Don't you let it
Stop the peace I've found
Without you baby

Don't say hi
Walk on by
By, by, by
By, by

Oh, if you see me tonight
If you see me tonight
No, don't, don't, don't, don't come find me
Don't, don't, don't, don't, don't try me
Don't you dare sip your wine, baby, bottle it up

If you see me tonight
I'm one cold as ice
No, don't, don't, don't come find me
I can't let you remind me

Baby, if you see me tonight
Don't say hi
Walk on by

Baby, if you see me tonight
Don't say hi
Walk on by
You better

(Baby, if you see me tonight)
Oh, you better
(Don't say hi)
(Walk on by)

(Baby, if you see me tonight)
No, no, no, no, no
Don't say hi to me
Walk on that side of me, babe
(Walk on by)

Oh, if you see me tonight
If you see me tonight
No, don't, don't, don't, don't come find me
Don't, don't, don't, don't, don't try me
Don't you dare sip your wine, baby, bottle it up

If you see me tonight
I'm one cold as ice
No, don't, don't, don't, don't come find me
I can't let you remind me
