

Billy Goat

Rayland Baxter

I've never been better
Have you ever seen
A wetter love letter
I want more from you
Honey I want more for you than you do

What the hell are we doing
I'm an ugly me
You're an ugly you
We used to love each other
There was a look in your eye
That told me forever

What am I supposed to do
When I want more for you than you do

Late night
Catfight
I need a couple of days alone
To get my
Head right
Leave a note
Sore throat
Billy Goat

Mardi Gras
We were makin' up
You were laid on my shoulder
In the maze of love
Now were breaking up
I'm thinking it over
And over
And over
You picking up seashells
I was over analyzing

What am I supposed to do
For me it was hell
It must've been a typical
Afternoon for you

Late night
Catfight
I Need a couple of days alone
To get my
Head right
Leave a note
Sore throat
Billy Goat

I learned at the dinner table
I cant have it all to myself
The rubberband man
Or the king of the rainbow
I been learning to love

Late night

Catfight
Need a couple of days alone
To get my
Head right
Leave a note
Sore throat
Billy Goat
