Got another nigga bitch with her ass out
Pussy so good, I'm 'bout to pass out
Then I hit that when I put that cash out
Hit it so good, she had to tap out
Got another nigga bitch with her ass out
Got another nigga bitch with her ass out

Need a fix
You know how a nigga get
Swear to God, I been feining all day
Need you to bring that ass right away
Got you calling me daddy when I'm in it
Had you screaming out loud, wait a minute
Now your nigga blowing up your damn phone
After we done, you better take your ass home, babe

These niggas be so mad
They bitch be so bad
I like what I see
