Wishin' I could pick you up, wishin' that you could be mine
When I'm across the world, we know that could take time
Just lookin' at your pictures make me [?]
Then I pick up my phone, so I can see you on Facetime

With me, with me, with me

I'm wishin' I could lick you up, wishin' I could take you down
I'm wishin' I could pick you up, I wanna see you right now
Every time we stop we go another round, hit you in the spot and
make you make a sound like (Uhh)
Girl you got me wanting you, there's so many things that we can
do
And I don't care if your friends around, 'cause if they really
down then we can all get down
Makin' me horny all through the night, you'll show me yours and
I'll show you mine
She put that camera up below her waistline, I'm sexin' with my
baby on Facetime

Wishin' I could pick you up, wishin' that you could be mine
When I'm across the world, we know that could take time
Just lookin' at your pictures make me [?]
Then I pick up my phone, so I can see you on Facetime

[?], only get to see you when it's online - got sex on my mind
Show me yours Imma show you mine, show me yours Imma you mine -
Imma show you mine
Imma watch you play with it, Imma show you how to get it, Imma
make you move the camera to your waistline
Okay baby okaaaay, me and my baby havin' sex over Facetime

Wishin' I could pick you up, wishin' that you could be mine
When I'm across the world, we know that could take time
Just lookin' at your pictures make me [?]
