

Get A Try

Rayven Justice

I will never choke if I get a try (Woah)
I will never choke if I get a try
You know how we do it

What would I (What would I)
What would I (What would I)
What would I do, without you (Hey)
And where would I (Where would I)
Where would I (Where would I)
Where would I go, without you
Without your love, it is not a vibe
Without your love, I'm not alive
If you want love and you wanna lie
I will never choke if I get a try (Get a try)

If you wanna ride with (Ride with me)
You can take a trip have side with me (Side with me)
Can you promise me you'll never trade on me (Trade on me)
'Cause people to the change when the change comin' (For real)
Vibe forever, do whatever
We can go whatever
I'll show you whatever

What would I (What would I)
What would I (What would I)
What would I do, without you (Hey)
And where would I (Where would I)
Where would I (Where would I)
Where would I go, without you
Without your love, it is not a vibe
Without your love, I'm not alive
If you want love and you wanna lie
I will never choke if I get a try (Get a try)

I got you dinner, I reserved it
Baby, you so close to perfect
And I got you wide open
I got the check, you got my focus
Vibe forever, do whatever
We can go whatever
I'll show you whatever

What would I (What would I)
What would I (What would I)
What would I do, without you (Hey)
And where would I (Where would I)
Where would I (Where would I)
Where would I go, without you
Without your love, it is not a vibe (Not a vibe)
Without your love, I'm not alive (Not alive)
If you want love and you wanna lie (Tell 'em)
I will never choke if I get a try (Yeah)

I will never choke if I get a try
These diamonds lookin' so good on my neck
I will never choke if I get a try
I will never choke if I get a try, yeah
