

Move

Rayven Justice

(Wait, hol' up, Scotty, turn this bitch up)

Don't you want me to love you (Love you, love you)
Why it's so hard to throw this away? (Away)
Ayy, at night I'm thinkin' of you (Of you, of you)
Why I gotta feel this way? (This way)
Know that I'm tryna love you (Love you, love you)
True feelings, I can't make this up (Yeah, yeah, yeah)
I wanna see you more (Ooh, more)
I know how to wake you up

Baby
I be like, "Give me water"
Don't you need me to take a swim?
I don't know why I fell in love with you
You the one that I've been waitin' on
Don't take your love away
I need you day to day
Let everybody know you my baby
Gave you what you want and got away

Happiness, my attention
I've been patient for a while, why we waitin' on?
I've been workin' for a while, can't get laid off
Kept on spendin' on you, thought your heart was paid off
Who go hard, go harder than me?
He wasn't who you thought he would be
Your past don't mean nothin' to me
Oh yeah

Don't you want me to love you (Love you, love you)
Why it's so hard to throw this away? (Away)
Ayy, at night I'm thinkin' of you (Of you, of you)
Why I gotta feel this way? (This way)
Know that I'm tryna love you (Love you, love you)
True feelings, I can't make this up (Yeah, yeah, yeah)
I wanna see you more (Ooh, more)
I know how to wake you up

We got toxic relations
She wanna have a baby
She callin' me daddy
When I'm fuckin' her crazy
Got sloppy toppe and a thong
Don't see a reason to drive on
Her heart had all but she waitin' on me
It's just don't taste the same when you eatin' lonely
I could see when it's real, I know when it's phony
Just tell me what you want

'Cause you know what I'm on
Happiness, my attention
I've been patient for a while, why we waitin' on?
I've been workin' for a while, can't get laid off
Kept on spendin' on you, thought your heart was paid off
Who go hard, go harder than me?
He wasn't who you thought he would be

Your post don't mean nothin' to me
Oh yeah

Don't you want me to love you (Love you)
Why it's so hard to throw this away? (Away)
Ayy, at night I'm thinkin' of you (Of you, of you)
Why I gotta feel this way? (Why I gotta feel this way?)
Know that I'm tryna love you (Love you, love you)
True feelings, I can't make this up (Ooh, ooh, ooh)
I wanna see you more (You know I had to do it)
I know how to wake you up

Wake you up, baby
Oh-ooh-oh
Hey, hey
Hey
