

## No Strings

Rayven Justice

I got more game then you think  
You was on my line what you mean  
We was suppose to be just fuckn  
Now you a fiend feelings got you talking  
Crazy you said no strings

You said no strings attached

You like a sad song you done changed a lot got you dickmotized  
Put it in between yo thighs  
Deep in that pussy I'm focused  
Knee deep in it you know this  
Know that you love me I get it a lot  
Baby you bugn you tripn a lot  
I won't rush in nothing  
Ain't nobody running shit  
Gota run it up one time if you wanna be  
My bitch  
East Oakland nigga you know I ain't playn  
You know how I get it I'm playn with bands  
After I hit it I hit again  
Baby so bolky I couldn't understand

I ain't tolerating no shit until a check in my hand  
I can't do the broke shit I got way use to these bands  
Road rage ima roll up  
Baby bad she getn tow up  
Ion care I ain't In no rush  
No I ain't quick to get cuffed up

I got more game then you think  
You was on my line what you mean  
We was suppose to be just fuckn  
Now you a fiend feelings got you talking  
Crazy you said no strings

You said no strings attached

I don't do that love shit  
We suppose to be just fuckn  
I just jump in a foreign you know I'm just pressing buttons  
I can see you in my rose baby  
How could you say that I'm wrong baby  
I just got hit by yo soul baby  
I'm riding slow riding slow  
I play this shit how it go  
I go some Gs on me  
I got some places to be  
I got some people to feed  
I got this singing shit on lock  
Singing singing to yo heart stop  
Got me feeling like a movie baby  
This Town Cookie got me groovy baby

I ain't tolerating no shit until a check in my hand  
I can't do the broke shit I got way use to these bands  
Road rage ima roll up

Baby bad she getn tow up  
Ion care I ain't In no rush  
No I ain't quick to get cuffed up

I got more game then you think  
You was on my line what you mean  
We was suppose to be just fuckn  
Now you a fiend feelings got you talking  
Crazy you said no strings
