

Sheets

Rayven Justice

Ooh, girl, thought I told you, you gon' fall in love with me
You in denial, know these hoes fuck with me
Gotta play your role, baby
Ooh, baby, baby
We bound to fuck between these sheets

Yeah, yeah
And I'm kissin' in between your thighs
Sneak up on her, she takin' a ride
You conceited, I see it and why, baby
You leak all over me
I make your body weak
Got weed and Hennessey
It's only you and me, yeah
I wanna feel you
I wanna touch you
You wanna fuck too
I give you top five
Make love to your mind
Baby, I'm gon' get you right here tonight

Ooh, girl, thought I told you, you gon' fall in love with me
You in denial, know these hoes fuck with me
Gotta play your role, baby
Ooh, baby, baby
We bound to fuck between these sheets

Look, look, I know you need it, baby
Got to the point where I might leave you for no reason, baby
That nigga lame, you need to come fuck with a demon, baby
When you look me in my eyes, I know you see it, baby
Blood all on my shoes, no, I don't fuck with no Margiela
I say I love you, then I mean it, bitch, I don't know what else to tell you
You had left, it had me sick and I'm just tryna make it better, baby
I'd never switch, they know I'm not that type of fellow, baby
Callin' my phone, sayin' she need me
'Posed to be by my side, but you ain't never where you need to be
I made it out and it wasn't easy
Look, tryna repay all the people who used to feed me
Look, callin' my phone, sayin' she need me
She see this ice up on my neck, she wanna eat me
She wanna leave, I told her, "Leave me"
'Cause I'm stuck up in the streets, baby, I'm knee deep

Ooh, girl, thought I told you, you gon' fall in love with me
You in denial, know these hoes fuck with me
Gotta play your role, baby
Ooh, baby, baby
We bound to fuck between these sheets
Ooh, girl, thought I told you, you gon' fall in love with me
You in denial, know these hoes fuck with me
Gotta play your role, baby
Ooh, baby, baby
We bound to fuck between these sheets
Ooh, girl, thought I told you, you gon' fall in love with me
You in denial, know these hoes fuck with me
Gotta play your role, baby

Ooh, baby, baby
We bound to fuck between these sheets
