

Whenever

Rayven Justice

Get you right here on this bed
I want some head right now
Girl, don't deny that you're phony
Quit the bullshit girl and get it on
Oh, girl the way you throw that ass on me
Got me losing my damn mind
Man, every time that we sex, I tear it down
When it comes to this sexy girl I don't play around

Whenever you want, whenever you want
Girl, you know I wanna fuck tonight
Whenever you need, yeah need
Girl, you know I'm gonna do it right
Whenever you want, whenever you want
Girl, you know I wanna fuck tonight
Whenever you need, yeah need
Girl, you know I'm gonna do it right

Right here on this bed
Watching a flick but I know how this goes
Yeah, starts touching on my skin
Prime medicine, we putting on a show
But I'm not ready right now
Plus you ain't got me like that
I'm just keeping it real
Boy, you can't cop a feel

Whenever you want, whenever you want
Girl, you know I wanna fuck tonight
Whenever you need, yeah need
Girl, you know I'm gonna do it right
Whenever you want, whenever you want
Girl, you know I wanna fuck tonight
Whenever you need, yeah need
Girl, you know I'm gonna do it right

I know why you want me boy
I know why you want me girl
