**D G**  
Then I come home again  
**G A**  
I light a cigarette  
**D G**  
'Cos I can't get no sleep  
**G A**  
Theres nothing on the TV, nothing on the radio

2. Yesterday was easy  
Happiness came and went  
I got the movie script  
But I don't know what it meant  
I light a cigarette  
'Cos I can't get no sleep  
Theres nothing on the TV, nothing on the radio  
That means that much to me  
Theres nothing on the TV, nothing on the radio  
That I can believe in
