

Somewhere Else

Razorlight

capo II

Am

You're an emotional wreck,

D

You don't know who you are,

G

Em

You never say what you mean.

Am

You keep your mouth shut,

D

And your light stays still,

G

Em

And then you come and call on me.

Am

You say

D

I just can't help myself,

G

Em

I really really wish I could be,

Am

D

Somewhere Else,

G

Than here.

Am

D

I met a girl,

Am

Em

She asked me my name,

D

Am

I told her what it was.

Am

D

She looked at me,

Am

Em

I tried to explain,

D

Am

Exactly what I lost.

Am

But now

D

I just can't help myself,

G

Em

I really really wish I could be,

Am

D

Somewhere Else,

G

Than here.

Am

D

You give me everything I need,

G

Em

But I really really wish I could be,

Am

D

Somewhere else,

G

Than here.

G **Em**
Just anywhere else,
Am **Em**
Just anywhere else than here!

G **Em**
And I won't forget,
G **Em**
And I won't forget,
G **Em**
And I won't forget.

Am
And when I saw you there,
D
It was the first time,
G **Em**
And you just walked on by,
Am
I was catching the sparks,
D
That flew from your heels,
G **Em**
Trying to catch your eye.

Am **D**
But that was somewhere else,
Am **D**
Somewhere else,
Am **D**
Somewhere else.

G **Em**
I really really wish I could be,
Am **D**
Somewhere else,
Am **D**
Somewhere else,
Am **D**
Somewhere else,
G **Em**
I really really wish I could be.
Am **D**
And now I just can't help myself,
G **Em**
I really really wish I could be,
Am **D**
Somewhere else,
G
Than here.

Am **D**
And now I just can't help myself,
G **Em**
I really really wish I could be,
Am **D**
I got everything I need,
G **Em**
I really really wish I could be,
Am **D**
Somewhere else,

Am **D**
Somewhere else,

Am **D**
Somewhere else,

G **Em**
I really really wish I could be.
