

U Can Call Me

Razorlight

I see you there down at carnival
Kind of get-up like your mother used to wear
Let that belly chain plastic-gold pop
Then act like you don't care

I get a little emotional
Thinking about all the time that I wasted
You know I would've been there if I could

But I guess your smile burns for someone else
And I can't get out
Or get no grip on myself
But it's really you I'm waiting for

You can call me anytime you like
But don't come fronting
'Cause I hate cocaine
I hate that
You can call me anytime you like
But don't come chewing
'Cause I hate cocaine

I seen you there with that super-sweet buff guy
Kind of dressed like my mother in sportswear
Ah, that must be where all the cool guys hang out
I ain't there

And I get a little tired of waiting on
The clock just tick, tick, tripping away and
You know, I would have been there if I could, but things just got a little messed up

And I guess your smile says
Yeah, yeah, yeah, yeah

You can call me anytime you like
But don't come fronting
'Cause I hate cocaine
I hate that
You can call me anytime you like
But don't come chewing
Cause I hate cocaine

I really hate it
I hate cocaine
I really hate it
I hate cocaine

And I guess I'm just tired of hanging on
I see time just trip, trip, tripping away
You know things are just really tough, I would've been there if I could, and
you don't understand what I'm going through, but if I

I see your smile glows just for me
Burnt in my mind perpetually
And it's really you that I want
You're the one I'm waiting for and

You can call me anytime you like
But don't come fronting
'Cause I hate cocaine
I hate that
You can call me anytime you like
But don't come chewing
'Cause I hate cocaine

I hate that
You can call me anytime you like
But don't come fronting
'Cause I hate cocaine
I hate that
You can call me anytime you like
But don't come chewing
'Cause I hate cocaine
