

## Zombie Love

Razorlight

She cut her hair to look more like a girl  
A distant planet in another world  
A true blue  
Shy unless you're high

You're not the only cowgirl that I ever went down on  
But you're the only love I had to walk out on

Oh, oh-whoa  
You gotta get those feelings off  
Oh, oh-oh-oh  
I never knew I was your zombie love  
Oh, oh-oh-oh  
You gotta get those feelings off  
Oh, oh-oh-oh  
I can't believe I'm just your zombie love

I flick the TV and I zap the tube  
Just like old people on old movies do  
They seem so real  
Solid when they smile

You're not the only big girl that I had to call time on  
But you're the only love I always get high on

Oh, oh-oh-oh  
You gotta get those feelings off  
Oh, oh-oh-oh  
I never knew I was your zombie love  
Oh, oh-oh-oh  
You gotta get those feelings off  
Oh, oh-oh-oh  
I can't believe I'm just your, believe I'm just your zombie love

Oh, oh-oh-oh  
You gotta get those feelings off  
Oh, oh-oh-oh  
I never knew I was your zombie love  
Oh, oh-oh-oh  
You gotta get those feelings off  
Oh, oh-oh-oh  
I can't believe I'm just your zombie love
