

Bitches on the Ding Dong

RBL Posse

This goes to the bitches that's hanging from my ding-dong
This goes to the bitches that's hanging from my ding-dong
This goes to the bitches that's hanging from my ding-dong
This goes to the bitches that's hanging from my ding-dong

It's Mr. Cee, on the microphone
You know a gangsta like me can never go wrong
Bitches see, fill they need
Are on my jock as if they was greedy
For my dick, or my muthafuckin' ding-dong
Whatever you wanna call it, it's still going on
A Harbor Road player, bitch, I'm gonna slay ya
You say, "eat my out," I'm pullin' out your Jadas
Your extensions, fuck, I hate to mention
A bitch like you, shit, I tried to lynch you
With my muthafuckin' dick around your neck
So strong, that you was hanging from my ding-dong

("Stay off my dick, nigga")
This goes to the bitches that's hanging from my ding-dong
("Stay off my dick, nigga")
This goes to the bitches that's hanging from my ding-dong
("Stay off my dick, nigga")
This goes to the bitches that's hanging from my ding-dong
("Stay off my dick, nigga")

Yes me, the B-L-A-cock C
Comin' straight out the diggy-diggy-HRD
Young punk, you better get back
You sucka new jack, before you get sprayed by the Black
Young Chris, a muthafuckin' factor
And when the sun go down, a straight jacker
Have you been in this fuckin' situation
When a bitch start pumpin' on her fuckin' menstruation?
Punk trick, you poppin' thrm NoDoz
Tryna play me out like a bitch named Yo-Yo
Or should I say a hoe though
I'll manipulate your lips and wrap it around my ding-dong
Or should I say my King Kong
Six inches round and seven inches long
So listen to this funky song
'Cause it's going to the bitches that's hanging from my ding-dong

("Stay off my dick, nigga")
This goes to the bitches that's hanging from my ding-dong
("Stay off my dick, nigga")
This goes to the bitches that's hanging from my ding-dong
("Stay off my dick, nigga")
This goes to the bitches that's hanging from my ding-dong
("Stay off my dick, nigga")

Some hoes don't laugh, some hoes do
Well, if you pull out my ding-dong, you're getting screwed
Get you high off dank, your potnas pull a fade
I scoop 'em, wondering, fuck, I'm going for the gank
Move, so drop the panties
So I could bust a nut and wax that fanny

Then I'll roll on my back, you start to ride me
Fuckin' you so good I thought your pussy was crying
Then you get up and say 'thank you'
Kiss my dick before I have to spank you
I got a dick that's black and long
But on Harbor, um, it's called a muthafuckin' ding-dong

("Stay off my dick, nigga")

This goes to the bitches that's hanging from my ding-dong

("Stay off my dick, nigga")

This goes to the bitches that's hanging from my ding-dong

("Stay off my dick, nigga")

Black C, down for the cause

Take her to the motel, go up in the drawers

'Cause I'm a player, a muthafuckin' rhyme sayer

When it comes to bitches, I'm never fair

'Cause a nigga like me is on the ruthless tip

I grab a thick bitch and then I take a dip

To the muthafuckin' mo-mo, 'cause I'm not a homo

415 Frisco and I've got it going on

The domino, droppin' folks just like dominoes

Them jealous ass niggas, yeah, y'all got drama, hoes

Or should I say tricks

Hoes hanging from the nuts and you wanna hang from my dick

It's the muthafuckin' last time

You see the sunshine tryna fuck with what's mine

Jealous niggas getting socked in the nose

And this coming from Harbor Road and going out to the hoes

("Stay off my dick, nigga")

This goes to the bitches that's hanging from my ding-dong
