

Heart Of An Enemy

Rea Garvey

She's the heart of an enemy
You'll find
Stationary by your side
Yeah she'll search for a remedy
Last of her kind
As she breathes love to your life
What's the price of a memory?
Broken lives
Scattered here by the graveside
Are we late for the ceremony?
Who decides?
Pray for time
Pray for time
Pray for time

'Cause we all need a safe place to hide
Yeah we all need some love our lives
And you know if they come for you
I'll be right here by your side
'Cause we all need a safe place to hide

She stands for the innocent
Inside her heart beats
A crowd unknown
A scream breaks the interval
Of time
One last word been thrown

And you know if they come for you
I'll be right here by your side
'Cause we all need some love in our lives
Yeah we all need some love in our lives

Shine a light on your love
You be strong don't give up on your life
Shine a light on your love
You be strong don't give up on your life
Shine a light on your love
You be strong don't give up on your life
Shine a light on your love
You be strong don't give up on your life

'Cause we all need a safe place to hide
And we all need some love in our lives
