

Runnin'

Read Southall Band

It's called "Runnin'"

I gotta go
Oh darlin' 'cause I can't stay here
My mind's already down that road
But my body's left standin' here

Would you lend me your ear
Am I really out here alone?
Stand ready 'til the coast is clear
Pocket full of your castin' stones

What's left for me, why stick around
Gonna start runnin' once my feet hit the ground

Runnin'
Runnin'
Runnin'
Runnin'
