Runnin'

Read Southall Band

I gotta go
Find a way to disappear
My mind's already down that road
Nobody's left standin' here

Would you lend me your ear
Am I really out here alone?
Stand ready 'til the coast is clear
Pocket full of your castin' stones

What's left for me
Why stick around
Gonna start runnin' once my feet hit the ground

Runnin'
Runnin'
Runnin'
Runnin'
