

## Deep Inside Your Love

Ready For The World

How does it feel  
To be lonely inside with no one there?  
You don't want to know  
But this is what's happening to me, oh  
And every day I wake I realize that I'm on my own  
Without you

I'm so deep, I'm so deep  
Inside of you, girl  
I'm so deep, I'm so deep  
Inside your love

I can't even think, I can't even eat  
Thinking bout your love  
You always on my mind  
I don't know what's wrong with me  
You a part of me, honey, can't you see  
I need you, oh

I'm so deep, I'm so deep  
Inside of you, girl  
I'm so deep, I'm so deep  
Inside your love

It's your love that I want  
It's your love that I need every night  
Cause deep inside of you  
Is where always wanted to be  
Another sleepless night it not the way it's gonna be  
I need you

I'm so deep, I'm so deep  
Inside of you, girl  
I'm so deep, I'm so deep  
Inside your love

You just don't know what you doing to me, girl...
