

Somebody's Watching Me

Ready For The World

Somebody's Watching Me"

Who's watching?

Tell me who's watching Who's watching me

I'm just an average man, with an average life I work from nine to five; hey hell,
I pay the price All I want is to be left alone in my average home

But why do I always feel like I'm in the Twilight Zone, and I always feel like somebody's watching me
And I have no privacy Woh, I always feel like somebody's watching me

Tell me is it just a dream?

When I come home at night I bolt the door real tight

People call me on the phone I'm trying to avoid

Well, can the people on TV see me Or am I just paranoid?

When I'm in the shower I'm afraid to wash my hair '

Cause I might open my eyes And find someone standing there

People say I'm crazy Just a little touched But maybe showers remind me of "

Psycho" too much That's why

I always feel like somebody's watching me

And I have no privacy Woh, I always feel like somebody's watching me

Who's playing tricks on me?

Who's watching me?

I don't know anymore Are the neighbors watching?

Who's watching?

Well, it's the mailman watching me, and I don't feel safe anymore

Tell me who's watching Oh, what a mess I wonder who's watching me now (Who?) the IRS?

I always feel like somebody's watching me And I have no privacy
Woh,

I always feel like somebody's watching me Tell me it is just a trick

I always feel like somebody's watching me And I have no privacy
Woh,

I always feel like somebody's watching me Who's playing tricks on me?

I always feel like somebody's watching me Woh,

I always feel like somebody's watching me

Tell me it can't be I always feel like somebody's watch
