

## What Will The Neighbors Think'

Reagan Youth

Father comes home, mixes up another drink  
And brother comes home, throws up in the kitchen sink  
And sister dyes her mohawk green and pink  
And mother's wonderin' what the neighbors are gonna  
think

No one cares about the neighbors  
Who gives a damn about the neighborhood?  
Who cares what the neighbors think?

Who gives a damn about the neighbors?  
Did they ever have to follow a favor?  
What rules do they think?

Now who cares about the neighborhood?  
Who gives a damn about the neighborhood?  
No one cares what the neighbors think

Who gives a damn about the neighbors  
Did they ever have to follow a favor?  
What we would never think

Father comes home, mixes up another drink  
And brother throws up in the kitchen sink  
And sister dyes her mohawk green and pink  
And mother's wonderin' what the neighbors are gonna  
think

Who cares 'bout the neighborhood?  
No who cares about the neighborhood?  
Who gives a damn what the neighbors think?

Who gives a damn about the neighborhood?  
Did'ja ever need a favor, huh?  
What we would never think
