Daniel is travelin' tonight on a plane
I can see the red taillights headin' for Spain
Oh, and I can see Daniel wavin' goodbye
Oh, it looks like Daniel
Must be the clouds in my eyes

They say Spain is pretty, though I've never been
And Daniel says it's the best place he's ever seen
Oh, and Daniel should know, he's been there enough
Oh, I miss Daniel
Oh, I miss him so much

Oh, Daniel, my brother, you are older than me
Do you still feel the pain of the scars that won't heal?
Your eyes have died, but you see more than I
Daniel, you're a star in the face of the sky

Oh, Daniel, my brother, you are older than me
Do you still feel the pain of the scars that won't heal?
Your eyes have died, but you see more than I
Daniel, you're a star in the face of the sky

Daniel is travelin' tonight on a plane
I can see the red taillights headin' for Spain
Oh, and I can see Daniel wavin' goodbye
Oh, it looks like Daniel
Must be the clouds in my eyes

Oh God, it looks like Daniel
Must be the clouds in my eyes
