Better

RealestK

And I'm waiting on your call
Baby, and I'm about to go tell you off, girl
'Cause you know what's on my mind

I know what you want
I see that I'm the one for you
I know what you want
Can I love you better, better, better?

Better, better, better
You better, better, better
Better
You better, better, better
Better, can I love you better?
You better, better, better

Baby, I wanna get you right in my bed
I wanna hear your voice, screaming just like the rest
I know it's hurting but it's working and you squirting on me
And now you flirting, I deserve it but you fucking on me

Girl, I'm fucking you, loving you
Putting my trust in you, moving, yeah, slower
Think that I'm dicking you down
When I'm back in town, you know that it's over
Girl, just fucking show me, I'ma go slowly
If you really want me, girl, don't leave

I know what you want
I see that I'm the one for you
I know what you want
Can I love you better, better, better?

Better, better, better
You better, better, better
Better
You better, better, better
Better, can I love you better?
You better, better, better

Better, better, better
Can I love you?
Better, better, better
Love you, oh, no, no, no
