

## Bruce Wayne

RealestK

Ooh, no, oh  
No, oh

Girl, I like it  
I like it anytime that you say you need savin'  
That savin' comes from me  
I'm in the city where bombs are droppin'  
I'm in the city but no Green Goblins  
Are tryna come attack me  
'Cause I'm Batman with no Robin  
I told you that I can't be everything you can see 'cause

I'm the man like Bruce Wayne, Wayne, Wayne  
And, girl, Bruce Wayne, Wayne (Wayne)  
I'm the man like Bruce Wayne (Wayne), Wayne (Wayne), Wayne (Wayne)  
Yeah, Bruce Wayne, Wayne

And anytime that she looks me in my eyes  
All she really sees is black and white  
And she knows who it is, anytime that her man really steps outside  
Come and talk to me, girl, come and try to be  
Something so, oh, good that satisfies me

I don't wanna be outrageous  
Anytime you see me on the pages  
You saw pages, do some  
I got famous, that's overdue

I'm the man like Bruce Wayne, Wayne, Wayne  
And, girl, Bruce Wayne, Wayne (Wayne)  
I'm the man like Bruce Wayne (Wayne), Wayne (Wayne), Wayne (Wayne)  
Yeah, Bruce Wayne, Wayne  
I'm the man like Bruce Wayne, Wayne, Wayne  
Girl, Bruce Wayne, Wayne (Wayne)  
I'm the man like Bruce Wayne (Wayne), Wayne (Wayne), Wayne (Wayne)  
Yeah, Bruce Wayne, Wayne

I'm the man like Bruce Wayne
