

## Confessions

RealestK

You got everything that I want  
So baby, won't you come with me?  
We'll get through, through what he couldn't do  
So tell me everything that I can do for you  
Baby, I promise that no one will hurt you  
As long as I am here right next to you  
Tonight, tonight

And I know what's been up on your mind  
Baby, can I make you mine?  
Promise I won't make you cry  
Tonight

And I know that you heart's been broke  
I promise that you won't have to go to someone that you know  
Even when I'm on the road, baby  
Come and save me from all the things you see  
Now, he wants you 'cause you're with me  
Baby, why can't he let it be?

Woah  
Giving everything that you had [?]  
But it's okay, I'm right here

And you know what is on my mind  
Baby girl, you are hard to find  
I won't ever have to tell you twice  
'Cause you know here what I'm feeling inside  
Promise that there won't be promises  
'Cause all my promises are prominent, girl  
What's the point of even promising if  
We ain't gonna keep our promises

And I know what's been up on your mind  
Baby, can I make you mine?  
Promise I won't make you cry  
Tonight
