

Divide

RealestK

Girl, come by, I need some closure
Need some kind of closure
Girl, come by, I need some closure
Need some kind of closure

A thousand words ain't a picture and
I can never make up with her and
Always wonderin' if she hurtin'
'Cause she by herself
Let me know
Tryin' to know
Here we go
I don't know, guess that's time
For a ride

And is it all enough when we're together?
We both livin' up but if it's never with you, ooh
Then baby, what is the use? (Ooh, ooh)

(Ooh, ooh-ooh, ooh-ooh)
I'm really leavin' you, ooh-ooh, ooh-ooh
I'd say we divide
Say it a million times
(Ooh, ooh-ooh, ooh-ooh)
I'm really leavin' you, ooh-ooh, ooh-ooh
I'd say we divide
Say it a million times

Now I'm dreamin' (Dreamin')
My name callin' out outside
And now you really call me by my real name
Oh, it's a shame
Oh, it's a shame how you (It's a shame)
Did me wrong, girl (It's a shame)
Come back to me, girl, it's been way too long, girl (Way too long)
Now we fallin', yeah, back to the games (Ooh, ooh)
Fallin', I'm feelin' this pain (Yeah-yeah, yeah-yeah)

(Ooh, ooh-ooh, ooh-ooh)
I'm really leavin' you, ooh-ooh, ooh-ooh
I'd say we divide
Say it a million times
(Ooh, ooh-ooh, ooh-ooh)
I'm really leavin' you, ooh-ooh, ooh-ooh
I'd say we divide
Say it a million times

You know
I'm leavin' now, I'm leavin' now
Girl, I'm leavin' now
You know, oh, oh-oh, oh, oh-oh
Ooh, ooh, ooh-woah, ooh
I'm stayin' the fuck alone
Just leave me the fuck alone
Say it a million times
Just leave me the fuck alone
