

## It's You

RealestK

Stayin' lowkey 'cause she knows my name  
She don't want my money or none of my fame  
She a Vogue model, yeah, I know her name  
Her name Alexis come from Texas, so I  
Fucked up, maybe London  
Baby, I know that you know, that I notice  
All of all the things that I just really want to do for you, do  
for you

Baby, it is you, you, you, you  
You, you, you, you

Tell me what you want from me, don't need no drama  
You like drinkin' lean and I like marijuana  
You get all of me, so pick up when I call  
Can you show me? I just need someone to grow me  
Can you slow me down?  
Tell me I need patience, can you show me how?  
When it's in rotation, move it slowly  
Leavin' all my worries with the old me  
If they ask, who really know me?

Baby, it is you, you, you, you  
You, you, you, you  
Baby, it is you, you, you, you  
You, you, you, you
