

And I'm waiting on your call  
About to risk it all  
Baby, you've been outside  
Tell me why haven't you called me  
You been playing me from the start  
But I know  
I don't care, no, no...

Cause I don't need somebody hurting you  
So baby, stay stay with me  
When I don't  
Let you go  
And you  
Let me know  
When I don't, let you go  
And you

Why couldn't you wait  
Then why aren't you going to stay with me  
What did I do  
For you to walk away from me  
And I gave you all of me  
And I caught you when you fell from me  
Now tell me what did you change, right up on me  
Now tell me what didn't you wait for someone like me  
Now she's running back to me  
To apologize, but I ain't got the time

So please  
Cause I don't need somebody hurting you  
So baby, stay stay with me  
When I don't  
Let you go  
And you  
Let me go  
When I and you let me go  
So baby, stay stay with me
