

## Aim Tastes Good

Really Red

Don't want to talk about that  
Just want to talk about this  
Don't divert my attention  
My ignorance is such bliss  
Rank and file  
Day and night  
Secure routine  
I'm alright

I'm an honest man almost always  
Only cheat the underserving ones  
You know you've gotta draw the line  
Anyway they're not my kind  
Brick upon brick  
Wall upon wall  
I need more  
Yet I'm not small

I'm a reliably man almost always  
You know you can count on me  
Check me out I'm a regular guy  
I mind my own business  
Us and them  
Me and you  
Which way's out?  
I'm alright

I buy just the things that I want  
But the ads sure can help  
You must respect and appreciate  
My individual kind of style
