

## Nobody Rules

Really Red

Don't tell us how to look  
Why don't you write a book  
Who said you make the rules  
Makes you a pack of fools  
Why don't you rule yourself  
Don't bother with nobody else

We say nobody rules!

If you want a leader you'd better learn to stand in line  
Better learn how to lick behinds  
Elite social cliques have missed the boat  
We have a laugh as you learn to kiss ass

Why do you do what you do?  
Do you ever stop and think why you do what you do?  
Do you ever stop and think why you do what you do?  
Why do you do what you do?  
Do you know why?
