Pigboy

Really Red

Bellaire kid playing heavy metal guitar
Shooting up smack thingking he's a star
He don't know when to stope
He don't know when to stop
His big mouth just made him a cop
You see him around

I got a friend in the Huntsville P-farm
Doing 16 years a 16 year stretch
His big mistake was a first offense
His big mistake to sell to pig-boy, yeah

Don't cry wolf
Don't cry wolf
Don't cry wolf
