

The Fee

Really Red

Where's the anarchy?
Where's the big change?
Where's the anarchy?
It all looks the same
Want to stop something
Pull it in the fold
Pull out the fangs
Pull out the claws
Blink of an eye
And you know why
The BEAST has been tamed
You new wave rebels
You're like a limp dick
New wave rebels
Like a limp dick
White riot's quickly changed
To just a party weekend

New new new rock gods
Replace the old
Climb aboard
The new rock train
Blink of an eye
And you know why
The beast has been tamed
EXPLOITATION! EXPLOITATION!
