Oh tonight, shines down a guiding light Showing a former life When we felt so alive In a sea of light swimming before my eyes Hold on to what is right Open your open mind Oh no please don?t let me go no please Don?t leave me here to grieve innocent times In the beginning I felt we were living I felt so alive Under beautiful skies Oh tonight slip in and out of life Yet feeling so alive Lost in the sea of light Oh no please don?t let me go no please Don?t leave me here to grieve innocent times In the beginning I felt we were living I felt so alive Under beautiful skies Oh no please don?t let me go no please Don?t let me go no please Beautiful Skies In the beginning I felt we were living I felt so alive Under beautiful skies
