

## At It Again

REASON

Ayy  
At it again  
I said ain't no turnin' back, but I'm at it again  
Ayy, back to the wins (Back to the wins)  
Say she don't usually do this, but she at it again

New Coupe (Big body, bitch)  
This shit impeccable  
Say she don't usually do this, I'm exceptional  
New diamonds shinin', I just added vegetables  
Headed to millies  
I write my future, it's easy, it's legible  
Shout out my credit, incredible  
Big gas, I been smokin' on medical  
Big body waste, that is my schedule  
Ayy  
I'm at it again (At it again)  
Just hit a model, it's raisin' my status again  
It's Top Dawg, ho, we got the advantage again  
Niggas braggin' in they raps, that shit regular  
Got more than most, feel I ain't did enough  
Top send the check, that shit a pick-me-up  
Phone calls, I got cells my cellular  
Moms good, Pops good, that's the level up  
Why you ain't winnin'? 'Cause you ain't good enough  
My success is a big lesson, you bitch  
Wild nigga, I been reckless, bitch  
Comin' straight for your necklace, bitch

Ayy, I'm at it again  
I said ain't no turnin' back, but I'm at it again (At it again)  
Ayy, I'm back to the wins (Ayy, ayy)  
Say she don't usually do this, but she at it again

Top Dawg hit me like "We at it again"  
Rock coming soon, new bag for the win  
Slim thick thing with some ass on the end  
And the boat came right, now I land when I spin  
Everything is intake, don't effect the bottom line  
Niggas got the shit face, dealin' crazy dollar signs  
Even though my bitch bad, everything I got is mine  
Thirty and I'm still winnin', guess I been on my lil' grind  
Can't be talkin' just to be talkin'  
When I do talk, it's never often  
Tryna run Central like Nip did on Slauson  
Julio in the teacup on a saucer  
G Wagon pull up, a hundred to park it  
Neiman Marcus, five bands on fabric  
It ain't costly, eastside new swag  
Can't get it often, kill 'em softly  
Mmm, yeah, Eastside Johnny put on for the set  
Watts Ambassador, cut me the check  
Pop on the passenger, know that she wet  
How you think that the pee got in yo' bed?  
Can't take it back, yeah, you heard what I said  
Plus I been eatin', they full but I'm flesh  
Spreading my wings, yeah, you know what it is

We at it again, yeah, yeah

Ayy, I'm at it again

I said ain't no turnin' back, but I'm at it again

Ayy, I'm back to the wins

Say she don't usually do this but she at it again
