

# Get it Right

REASON

Yeah  
Hey, hey, hey  
1, 2, 1, 2, 1, 2

Feel like I get it so wrong, uh  
Sooner or later, look  
Feel like I get it so wrong, uh  
Sooner or later, I need to get it right  
This from the uninviteds to the feelin' lights  
This what I'm feelin' like  
Feel like I'm lost to it  
Every show, I give you my heart to it  
Try to make it catchy while still keepin' the art to it  
These niggas fill your head with fallacies, I been writin' on galaxies and s  
tar music  
Time to vent, niggas don't wanna work, I know they scared of it  
They almost feature him, my verse, they wouldn't dare do it  
But fuck them niggas, I never be the one to let politics switch the vision u  
p, look what we puttin' up  
Del Amo stood me up, so fuck these wack niggas gossin'  
Run they mouths like cars do, I get it  
It's hard to keep up with the bars, true, shit I be scared of these bars to  
I never get it right  
I never get it right, say the wrong shit and burn a bridge for life, uh  
I swear to God I hate politics, wait 'til my features go up, I ain't droppin'  
' shit

Seems like I get it wrong, get it wrong, get it wrong  
Sooner or later, I need to get it right  
Sooner or later, I need to get it right  
Get it wrong, get it wrong, get it wrong  
Sooner or later, I need to get it right  
Sooner or later, I need to get it right

Look, sooner or later, never been greater  
Free album like glasses, niggas vision is straighter  
From a place where bullets goin' back and forth like debaters  
No rebuttal, you get hit with shit  
I got some homies locked down in sentences  
Shit, sentences longer than a run on  
Do a 25 'cause he had the gun on 'em  
Try to get it right and got it wrong and let it blown 'em, uh, bang  
That's your decision, you gotta sit with that  
Crazy how you can give it but never get it back  
Crazy how niggas spit it but never live their raps  
Hate yourself so much that you'll be somebody else  
I like this nigga better, that other nigga follow trends  
You a trendsetter, it's great or not when you know better  
But been better, when I move on, I just wanna say I am better  
Shit, that means I got it right

Seems like I get it wrong, get it wrong, get it wrong  
Sooner or later, I need to get it right  
Sooner or later, I need to get it right  
Get it wrong, get it wrong, get it wrong  
Sooner or later, I need to get it right  
Sooner or later, I need to get it right
