REASON

Yeah, yeah
Look

Talks around my city gettin' crucial
That don't bother none, shit, that's the usual
They say, "Fuck you, REASON," trust me, that shit mutual
"Fuck you, REASON," trust me, that shit mutual
You niggas been gettin' out of pocket
Gossip, gossip, gossip, gossip (Gossip)
Gossip, gossip, gossip, gossip
Gossip, gossip, got gossip

Middle finger REASON, I can't stand son
I used to beg for respect, now I demand some
You niggas shootin' for hits hoping you land one
I make sure my shots finish more than their once
Now REASON worth about a pretty penny, well, that shit true
But I can't stop until my whole wallet handsome and some
I get ghost until I pull up in a Phantom random
But lately, I been thinking back to Candace, damnit
That was back when I would sympathize
She send me pictures of her inner thigh 'round dinner time
Writin' records, she would text me say I'm in her mind
Had to tell that bitch to shoo, I'm tryna finish lines
I wrote this on the bus, I'm on the road, shit
Reminiscing back when I was hopeless
Token Black boy with a pocket full of tokens
Now that money comin' back, feel like it's homesick

Talks around my city gettin' crucial
That don't bother none, shit, that's the usual
They say, "Fuck you, REASON," trust me, that shit mutual
"Fuck you, REASON," trust me, that shit mutual
You niggas been gettin' out of pocket (Pocket)
Gossip, gossip, gossip, gossip
Gossip, gossip, got gossip
Gossip, gossip, gossip, gossip
Gossip, gossip, damn

Huh
Clock ticking, nigga
Huh, look

My greatest fear is my relatives exposin' my skeletons
When I speak on relatives, I put air quotes with it
'Cause blood don't make you family and I know that's who around me
Y'all ain't come 'til I start poppin', thinkin' bread come with it
I got cousins that's wishin' I'll on me
In they mind, I know they hoping blood spill on me, chill, homie
I'ma keep shining, nigga, no shade gon' block me
Y'all hopin' fame gon' rock me, nigga, your lame can't stop me
Shit, how the fuck I'ma stop with all these goals on me?
I been winning, word to the gold on me, had no money
Now my show money done grown, lookin' like GoFundMe's
And tell my cousins, "You're lame, homie"
So when I come back around, I play her like James, Tony
Blockin' that bullshit, been growin' these bills quick

Pour shots straight out the bottle, trying hard not to spill shit
I vow to make a killin' with the niggas I live with
So fuck all the negatives
I swear my biggest fear would be my relatives
Comin' back from the dead exposin' skeletons
When I speak about relatives, I put air quotes with it
'Cause blood don't make you family and I know just who around me, nigga

Talks around my city gettin' crucial
That don't bother none, shit, that's the usual
They say, "Fuck you, REASON," trust me, that shit mutual
"Fuck you, REASON," trust me, that shit mutual
You niggas been gettin' out of pocket
Gossip, gossip, gossip, gossip
Gossip, gossip, got gossip
Gossip, gossip, gossip, gossip

The last four weeks we've been talking heavily with TDE
And, uh, it's not official yet (Gossip, gossip, gossip, gossip)
But I wanted to make it official in front of everybody
'Cause I got the contract today (Woo, you got it?)
Thank you, God, for bringin' all y'all here
I'm askin' all you guys to love each other
That's what's pretty much gotten me to this point
I can't even say, honestly, how thankful I am
For every single one of you guys
That's about it, so
We already went over it (Top Dawg Entertainment, yeah)
