

# Kurupt

## REASON

Yeah, yeah  
Tell that nigga P, close the door while we cookin' up  
West Coast  
God sent this one  
REASON  
Look  
Word up, Kurupt  
Look  
Look, look

Said if I ever gave a fuck about a bitch  
Shit, I'd always be broke my nigga, wait  
I do this for the hope, my nigga  
Kobe Bryant, I'ma go down as the GOAT, my nigga  
It's Del Amo on this bitch  
I learned to talk that shit from Rosetta Stone  
Life a little rocky, get his pebbles on  
But word to thick wallets, I never fold  
Now wait up, my life movin' quick, had to slow it like a changeup  
But never change up, just focus on gettin' change up  
Tell them niggas we want every penny, nigga, change us  
But pray that never change us  
Young nigga been starvin', feel like my stomach squeezin' in this motherfuck  
er  
Game changed since they let Reason in this motherfucker  
I'm in a different zone, that's why I rip shit, motherfucker  
Colin Powell, I was the first nigga in this motherfucker  
Wait, my zone that is, had to heighten my senses  
My music travellin', it's risin', it pivot  
Kurupt said don't give a fuck about no hoe, no power to bitches  
I'm only known for the D, I'm Iguodala with the bitches, like damn  
My time comin', I just stare at the clock  
They don't fuck with you when you cold, but they hate when you hot  
It's like guardin' Steph Curry, be prepared for the shots  
Well let 'em come, 'cause I'm comin' for spots

Reason they never gave a fuck about a bitch  
Nigga, shit  
These niggas is bitches too, they all these females though  
Yeah  
Real shit  
Real shit

Said if I ever gave a fuck about a bitch, I'd always be broke  
Never had no fuckin' indo to smoke, wait  
This for the hope, my nigga  
Kobe Bryant, I'ma go down as the GOAT, my nigga, wait  
Give a fuck about a bitch (about a bitch)  
Shit I'd always be broke  
Shit I'd always be broke, shit I'd always be broke, shit I'd always be broke

Look, I need the money nigga, I'm dumb thirsty  
West Coast nigga, smoke niggas, kill 'em and fit 'em all into one hearse  
Music, the "I" before "e", nigga it come first  
I put everything in it, this a truck verse  
I'm done with the speeches, say fuck being vegan  
'Til niggas bring it when it come to the beefin'

'Cause Uncle taught me that these haters like waiters, boy, they come when you eatin', shit  
Make sure that they got a full clip, flow hotter than four whips  
With windows stuck and no AC, a thick jacket and timbos tucked  
Jeans gettin' fucked by two ratchet, thick ho sluts  
One ridin' on top with us, you get it, the flow hot nigga  
These punches like light-skinned bitches, picture how quickly I drop niggas  
Music game like cop killers, we need a good Reason or it's good riddance  
These good writtens will get me out of a hood sentence  
Young nigga, bad intentions but good livin'  
Hittin' the booth like home cookin', my foot in it  
I'm warmin' up, I'm just havin' fun with niggas  
Not Denzel, but I've been watchin' tons of niggas since my Training Days  
Born in South Central, but tryna pave a way  
To make it out the trap, I feel like David Blaine  
Niggas fakin' just to make a couple hits  
I ain't gang bangin', fuck them politics  
And I still ain't gave a fuck about a bitch  
And they know that I didn't talk  
Top five in the West, nigga, know that I'm in it  
Niggas been at it eight years, they can't hold a position  
This is year two, you know that I'm different  
The coldest of writtens  
I laugh a nigga sellin' out to get they name up  
I'm a hunnid dollar bill, I don't change much  
A lot of faith, hard work gon' make us rich  
Swear to Christ, ain't a nigga cold as this  
And I still ain't give a fuck about a-  
Bitch nigga

Yeah  
There you have it  
There you have it

Look, swear if I ever gave a fuck about a bitch, I'd always be broke  
Never had no fuckin' indo to smoke, wait (Wait)  
This for the hope, my nigga  
Kobe Bryant, I'ma go down as the GOAT, my nigga, wait  
Give a fuck about a bitch, swear I'd always be broke  
Give a fuck about a bitch  
REASON

Slowly, holy, clearing all these motions when I'm faded  
Smokin' potent, ain't no competition, I done made it  
Give a fuck about a bitch, swear I'd always be broke  
Give a fuck about a bitch, hah
