

Not For Me

REASON

Follow niggas, that's not for me, yeah
I get brain like the [?], woah
Little niggas spin blocks for me
Would you rock for me, would you rock for me?
Was a have-not now it's not so me, yeah
Westside, nigga, buck with me
I'm with some niggas willin' to box with me
Gotta rock with me, would you rock with me?

I got my reasons, that's the motive
Got me locked in, yeah, I'm loaded
I can't stop now, I'm too focused
Livin' hot now, and we rollin'
Yeah, I need it, I want mine
And I'm speedin', ain't got time
They can't reach me, can't control me (Look)
I'm a beast (Wale though, mm), they can't hold me (Look, yeah)

Havin' money has got to me
But havin' none is whack to me
See, I'm from the city of chocolate seed
Better know nothin' is sweet, niggas be salty, yeah
The same nigga with Ross and Meek, yeah
Murder bravado, I got good genes, hmm
Ain't worried 'bout what they show me they got
Niggas be hot, lawyers a lot, but the coffin's cheap, cheap (Wait, wait, wait, wait)

Stayed up, I'm so zoe, I (Ah, yeah)
Got my focus eye (Right)

Been so focused, you haven't notice
Made it outside of that box, like I came from Mumless, yeah
I done been blessed, countin' my steps, yeah, yeah, yeah
Gotta be next, I done made balance some checks, yeah, yeah, yeah
Made it on my own so nigga

Follow niggas, that's not for me (Okay), yeah
Little niggas spin blocks for me (Okay)

Don't trust nobody, I roll with two seats
Right now I'm so, so tired (Tired)
Better know my hoes in line (Line)
Better know they tell us Bible, might just mean they go both sides
I got that wave (Yeah)
Old niggas feel a way (Way)
Crossbow full of the hitters, uh
Rose gold for the bling, that's one cold bouquet (Bouquet)
