Shit, it's hard to get caught up

'Cause they don't really know nobody

I'm spoken, no flying

My neck and my wrist can fuckin' cause a riot

If time was food, I been on a diet (Heh)

I ain't got no time for her

Other rappers, they just slimmin' [?]

They don't want it like I want it

And she give to me, now it's makin' sense

Got my carbs if the bread rakin' in

Gotta hold on the money like paper clips

Clips winnin' but it's leggings bitch

Shit, I roll with my niggas regardless (Regardless)

Two holes suckin' underwater (Uh)

REASON buzzin', name growin'
All over the net like tennis, nigga
Lemme switch it up, give her pipe 'til she givin' up
Kick her out when I get a nut
I'm a player shawty, I can give you dick and can never give a fuck
That's my culture lately
Pray on it, I'm a vulture, baby
Dick and feelings ain't associated
Don't know if she got home but I hope she made it
I'm supposed to make it
I'm better in here, go to proof, nigga
Trays out like a soup kitchen
Fake niggas, I don't noose with 'em
Real niggas, I salute with 'em
Dope flow, I been overdosin'
Curve bitches like scoliosis
Spittin' 'til I get a new crib
With peace and quiet like a awkward moment
Pressure on, I stay spazzin'
Twitter mention, I stay at 'em
I need money, throw the safe at 'em
I remember when we used to play Madden
Like it's all religion, now I hate Madden
'Cause people cheatin', now I can't bat 'em
Moves, I meant beat 'em, my brain splattered
DJ Khaled, I stay snappin', that's proof

DJ Khaled, I stay snappin', that's proof
