

# She's the One Loving You Now

Reba McEntire

She's got what I don't  
You there to lean on  
I wish I could get that off of my mind  
But I don't know how

'Cause she don't love you  
Anything like I do  
But that don't mean anything  
'Cause she's the one loving you now

Well, you're only bad crime  
Was you used all the right lines  
To make a girl like me  
Feel like I was one of a kind

You had me believin'  
What I had you were needin'  
But I guess, there was somethin' missin'  
That you needed to find

She's got what I don't  
You there to lean on  
I wish I could get that off of my mind  
But I don't know how

'Cause she don't love you  
Anything like I do  
But that don't mean anything  
'Cause she's the one loving you now

Who says, you need a reason  
For gettin' up and leavin'  
Frustration sets in  
'Cause I know she holds you tight

I guess, it's human nature  
To want to find a reason  
'Cause one good reason would make me  
Sleep a little better tonight

She's got what I don't  
You there to lean on  
I wish I could get that off of my mind  
But I don't know how

'Cause she don't love you  
Anything like I do  
But that don't mean anything  
'Cause she's the one loving you now

No that don't mean anything  
'Cause she's the one loving you now
