

# Lamb of God

Rebecca St. James

**Emi**            **C**            **G D**  
I hear voice of many people  
**Emi**            **C**                            **G D**  
I hear a voice like mighty thunder  
**Emi**            **C**            **G D**  
Singing Hallelujah for the Lord he reigns  
**C**                            **H**                            **Emi**  
Singing Hallelujah for the Lord he reigns

**Emi**            **C**            **Ami**    **Hmi**  
Lamb of God, Holy  
**Emi**            **C**            **Ami**    **Hmi**  
Lord You are Holy  
**Emi**            **C**            **Ami**    **Hmi**  
Lamb of God, Holy  
**Emi**            **C**    **Ami**    **Hmi**  
You are Holy

**Emi**            **C**            **G**            **D**  
So let us be glad, let us rejoice  
**Emi**            **C**                            **G**                            **D**  
And let us give honor, glory to the Lord  
**Emi**            **C**            **G D**  
And may every tribe and every tongue  
**C**                            **H**                            **Emi**  
Gather and sing praises to the Holy One
