

# OK

Rebecca St. James

Inwardly, I  
See your smile  
And I reach for, I reach for it  
'Cause I know it's all gonna be ok  
okay

It's all gonna be okay, okay, OK  
that is why I always say  
It's all gonna be OK

I want to,  
Cover you with presents  
But my love is all I have  
So take me, take me now  
'Cause I know you'll not abandon me  
You will complete what's begun in me

It's all gonna be okay, okay, OK  
That is why I always say  
It's all gonna be okay now  
It's all gonna be OKBMI

As I,  
Come closer now  
Hold me  
And wipe away my tears  
Hold me

It's all gonna be okay, okay, OK  
That is why I always say  
It's OK
