

All my meanings are lost
Are lost in waiting rooms
Lost in manners
Wherever you are
Sing with me
Come back to me

I'm trying to put myself
Where I belong to
But I don't fit
With anything anywhere
By anyone anywhere
Sing with me
Come back to me

All my meanings are lost
And I'm lost in waiting rooms
Lost in manners
Wherever I am
Sing with me
Come back to me
I'm trying to put myself
Where I belong to
But I don't fit

I will return with love
Nothing's hidden from me
For one second I'm whole
For one second I'm full

I'm returning with love
Nothing's hidden from me
For one second I'm whole
For one second I'm full
