

# Hellada

Rebeka

I warned you  
I told you  
Hellada will bring you  
Dishonest  
Young quislings  
I warned hey  
You warned me  
I'm solid  
Amigo  
You're sadest  
Castrato

I saw  
I saw a fight inside a golden child  
Hearts for Beny  
Mark with Lenny  
I'm a famous cleaner  
I'm a bitter dinner  
A bum

And oh God she wonders why  
I'm gonna cry  
A cat's going  
She doesn't remember  
I'm schoolmate  
You're falling  
Her sweet eyes  
November

Then oh God I was  
I was a little bored  
She was inside me  
Walking through this rollway  
Growing  
Hey  
I was rolling
