

You may flow with a rock and roll trance.  
Do it for another big lie.  
See me.  
How?  
You are my price.  
Sucking you.  
Ready or not!

I saw fight yesterday.  
No matter how pretty it was.  
Life brings us thrill,  
But then,  
We didn't care.

I saw God yesterday.  
No matter how pretty it was.  
Life brings us thrill,  
But we,  
We didn't pray.

You may flow with a rock and roll trance.  
Do it for another big lie.  
See me.  
How?  
You are my price.  
Sucking you.  
Ready or not!
